The Capri Spring School on Transport in Nanostructures will take place from Sunday, April 12, till Saturday, April 18, at Centro Multimediale Mediateca "Mario Cacace" of Comune di Anacapri on the Isola di Capri,

Italy. We celebrate our twentieth anniversary, and the event will run in the format of a workshop addressing **Modern trends in condensed matter physics**. Several fellowships will be granted to first and

second-year Ph.D. students. The fellowships cover half the school registration fee for standard accommodation in a shared double room.

Registration:
